

Gargunnock Walking Group – February 2026

The Gargunnock Walking Group normally meets twice a month, and walks will usually be a shortish drive away from Gargunnock. Typically, we will walk in the Trossachs, or other areas in Stirlingshire or Perthshire. Recent walks have included Glen Finglas loop at Big o'Turk, Gartmorn Dam, Loch Ard Forest, Glen Artney and Kinoull Hill at Perth. Walks are usually on well made forest tracks and paths with occasional hill climbs. A rare exception was a recent walk along the bank of the Endrick Water which was extremely muddy and slippery, but we try and avoid such conditions. Walks are rarely cancelled or changed because of the weather and indeed we usually have better weather than forecast.

Glorious summer day overlooking Loch Lomond

Walks will typically be two to three hours and about five miles in distance. Prior to a walk a brief description will be advised with the distance, ascent and state of the path. We usually find a suitable eatery after the walk for lunch.

The dates for walks in March, April and May will be:
Tuesday 10th March and Thursday 26th March.
Tuesday 7th April and Thursday 23rd April.
Tuesday 12th May and Thursday 28th May.

Some possible walks include:

- Clackmannan Towers,
- Cambus and River Forth walk,
- Falkirk Muir and Canada Wood,
- Dollar Glen,
- Glen Lednock at Comrie.
- Walks near to Dunkeld.

Walk near Brig o'Turk

As usual these walks will depend up on the weather on the day. We want to maintain the tradition of walking on fine clear days when we expect to have stunning views of the surrounding countryside. And we are always on the look-out for new and interesting walks within easy access of Gargunnock

We normally gather at 9:30a.m. in the pub car park prior to starting our walk, and we always try to minimise the number of cars by sharing.

If you are interested in participating in our walks, call me on **01786 860608** or drop me an email to edmond.mansion@btinternet.com and I will put you on the circulation list for meets and send a copy of the Guidance Notes. Please note that one of the few rules that we have is no dogs. The primary reason for this is that we occasionally walk through areas where livestock graze and I would not wish to be associated with anyone's dog however well-disciplined whilst in the vicinity of cattle. We also expect participants to be responsible for their own wellbeing and capable of going the distance of the walk.
