

WORKING WITH NATURE

TO TACKLE FLOODING & DROUGHT IN THE UPPER FORTH

**THE LODGE
FOREST VISITOR
CENTRE
ABERFOYLE, FK8 3SX**

24TH JUNE 2026

4 - 8PM

An event for local communities, land managers, farmers, and businesses in and around the Upper Forth landscape.

Join us to explore how working with nature can help address the challenges we face while supporting local livelihoods and healthier landscapes.

- Learn about nature-based solutions and how to get involved
- Hear about real rural landscape case studies, including the Eddleston Water project
- Discover NatureScot's Community Landscape Monitoring programme
